Never Quite Know

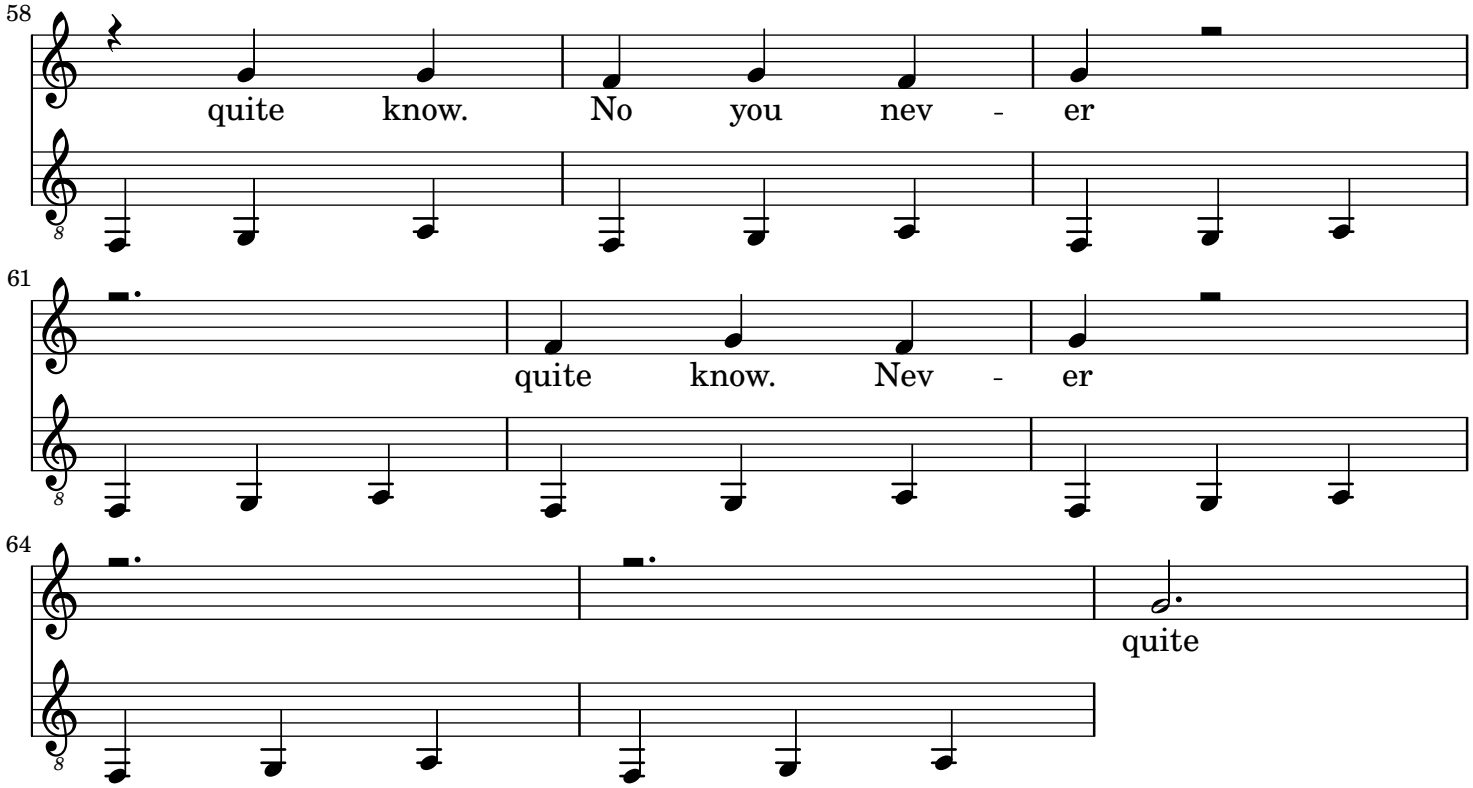

A Song of Dusk

26
dron. You nev - er know what you'll un - leash on the
30
world. You think and you plan; you com - pute and you pon -
34
der. You hope when the first of its flags is
38
un - furled. No you nev - er quite know what will rise from the caul -
43
dron! But worse is to sit and do no - thing at
47
all. Our hi - sto - ry calls us to solve big - ger pro - blems.
51
But the more that we rise means the more we
55
can fall! And you nev - er

58
quite know. No you nev - er
61
quite know. Nev - er
64
quite
