Beautiful Tomorrow -- Simplified A-minor version.

Quarter note = 90 bpm

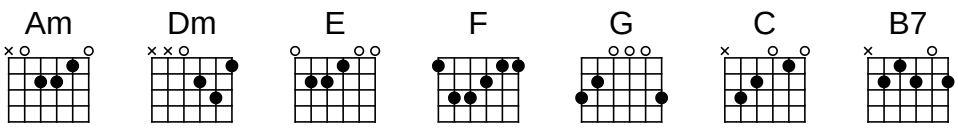
Am *Dm*
I can hear tomorrow's voice call out and lure me
E *Am*
In the silver dew, it rings out like a bell
F *G* *C* *E*
And the path that stretches, beckoning, before me
F *B7* *E*
Makes me dizzy like a children's carousel

Chorus

Am *Dm* *E* *Am*
Oh beautiful tomorrow, don't lead me into sorrow
F *C* *G* *E*
Be kind to me, tomorrow, don't lead me astray
Am *Dm* *E* *Am*
I'll chart a course to follow, to bring me to tomorrow
Dm *Am* *E* *Am*
To beautiful tomorrow, I start to make my way

I can hear tomorrow call me on a journey
To a world of wondrous beauty far away
I can hear it ask me urgently and sternly
For tomorrow's sake what have I done today?

Chorus

Now I'll strive to be both kinder and more honest
And to never leave a suff'ring friend behind
I will toil each day to live up to my promise
I will blaze a trail if there's no path to find


Chorus 2x
