A *G*
Take my love, take my land
D *A* *E*
Take me where I cannot stand
C *G*
I don’t care, I’m still free
D *A* *E*
You can’t take the sky from me
A *G*
Take me out to the black
D *A* *E*
Tell them I ain’t coming back
C *G*
Burn the land and boil the sea
D *A* *E*
You can’t take the sky from me
A *G*
There’s no place I can be
D *A* *E*
Since I found Serenity
C *D*
But you can’t take the sky from me
