A tiny silver ball

That makes you a hero

The moment you step inside

The world is watching you
D5/E
What you’re about to do

Will live on forever
Am/E *G#m7*
Even though you’ll be dead

We’re about to turn the engines on.

I took the collar off

I’m holding my own leash
Am/E *G#m7*
And walking myself outside
C#7
This door
F#m7
I don’t think

I want to be a good dog anymore.

Now I’m floating free

Are they close enough?

Will they hear me bark from here?
