Verse

D *G* *D*
I've got a cupboard with cans of food, filtered water,
G *D*
And pictures of you and i'm not coming out
G *D* *G*
Until this is all over
D *G* *D*
And i'm looking through the glass where the light bends
G
At the cracks
D *G* *D*
And i'm screaming at the top of my lungs pretending
G *Em*
The echoes belong to someone
Em *D*
Someone i used to know
Em *D*
And we become silhouettes when our bodies finally go
D G D G
Ba ba ba...

Chorus

D *G*
I wanted to walk through the empty streets
D *G*
And feel something constant under my feet,
D *G*
But all the news reports recommended that
D *G*
I stay indoors
D *G*
Because the air outside will make our cells
D *G* *D*
Divide at an alarming rate until our shells
G *D* *G*
Simply cannot hold all our insides in,
Em
And that's when we'll explode
D
(and it won't be a pretty sight)
